TRADE DEVELOPMENT BUREAU  
OF MINISTRY OF COMMERCE, PRC

## TRADE DEVELOPMENT BUREAU OF MINISTRY OF COMMERCE, PRC

The Trade Development Bureau (TDB) is an official policy implementation and trade promotion agency directly under the Ministry of Commerce, PRC.

Established in 2003, TDB seeks to fully implement national trade policies, provide public services related to foreign trade development, and promote exchanges and communications between Chinese and overseas companies, through organizing economic and trade seminars, conferences, exhibitions, business trainings, and export & import promotion events.

Trade promotion is a crucial means to boost high-quality trade development, as well as an important approach to transfer China from a trader of quantity into a trader of quality. TDB will keep in mind China's new development stage, stress full, accurate and comprehensive implementation of the new development philosophy, support the new development dynamic, create various modes of trade promotion, build effective and efficient platforms for enterprises, with the aim of facilitating high-quality and innovative development of foreign trade, and accelerating the economic flows both domestically and internationally.

## ZHEJIANG BROAD INTERNATIONAL CONVENTION & EXHIBITION CO., LTD

Founded in 2001, Zhejiang Broad International Convention & Exhibition Co., Ltd (BCE for short) is a famous state-owned exhibition company with the exhibition scale ranking the top in Zhejiang Province, and the first nationwide. The company is not only qualified for organizing outbound trade fairs with the ratification of Ministry of Commerce, but also owns the comprehensive capability for innovating exhibitions and providing integrated solutions to expand global market, together with global strategic partners to jointly build open and mutual sharing platform for exploiting market through online and offline exhibitions.

Over the past twenty-three years, the company always takes it as its mission to lead the country's export-oriented enterprises to open up the market, undertakes major events including CIIE, CIFTIS, Canton Fair, China International Consumer Products Expo, Global Digital Trade Expo, and Zhejiang Week as well as various exhibitions, conferences and forums of Ministry of Commerce and over other provinces and municipalities around the country. The company's exhibition projects cover 300 cities of 100 countries and regions around the globe. We provide service to over 30 thousand enterprises every year, involving more than 40 industries such as textile&clothing, hardware&auto parts, engineering& machinery, building materials, furniture, food, communication, security, IT, digital technology, optics and etc, covering more than 80% of the global industry mainstream exhibitions. BCE has accumulated over 4 million member resources of nearly 400 overseas business associations and established relations with more than 100 global strategic partners. The company has successfully held independent brand exhibitions in more than 20 countries around the world, of which Zhejiang Export Fair(Osaka), Zhejiang Export Fair(Vietnam), Zhejiang Export Fair(Malaysia) and many independent brand exhibitions have gained UFI approval, which created the first overseas independent brand exhibition and had a leading demonstration role in the history of China's overseas independent brand exhibition.

The company gained the National Youth Civilization Award, Zhejiang Famous Brand in Service, Zhejiang Famous Trademark and Exhibition Project Enterprise First-grade Qualification of China Association for Exhibition Centers as well as more than 100 important honors and qualifications, which plays an important leading role and outstanding contribution to the industry development.

## JIANGSU TRADE PROMOTION INTERNATIONAL CONFERENCE & EXHIBITION CO., LTD

Jiangsu Trade Promotion International Conference&Exhibition Co., Ltd. (JSICEC) is a provincial state-owned enterprise, which is the major channel and the operating agency of organizing all kinds of international exhibitions and conferences in Jiangsu Province.

JSICEC was established in 2001, a member of the Union of international Fairs(UFI), has obtained ISO9001 Quality Management System Certificate、ISO14001 Environmental Management System Certificate、ISO45001 Occupational Health and Safety Management System Certificate, JSICEC is the largest and most influential exhibition organizer in Jiangsu Province.

JSICEC annually holds nearly 10 domestic international exhibitions in the fields of agricultural machinery, senior care, e-commerce, medical industry, with an exhibition area of 200000 square meters. It also organized more than 2000 enterprises to participate in nearly 200 overseas exhibitions, covering more than 30 countries and regions on five continents and involving more than 40 industries.

上海市国际展览(集团)有限公司  
Shanghai International Exhibition (Group) Co.,Ltd.

## SHANGHAI INTERNATIONAL EXHIBITION (GROUP) CO., LTD

Shanghai International Exhibition (Group) Co., Ltd was established in 2022, affiliated to CCPIT Shanghai, aiming to become a domestically and internationally renowned exhibition group and to play a leading role in China's exhibition industry.

As the predecessor of the Group, Shanghai International Exhibition Co., Ltd (SIEC), which was founded in 1984, is China's first state-owned international trade fair organizer specialized in inbound and outbound exhibitions, and is also the first UFI-certified exhibition organizer in China.

- Serving national strategies and serving enterprises
- Leveraging trade promotion advantages
- Committed to brand construction
- Courageous in exploration and innovation

We own more than 30 international exhibition brands with total annual exhibition area exceeding 1.5 million sqm, mainly in four sectors - industrial, consumption, cultural and financial. Among these brands, Auto Shanghai, China Wedding Expo, Music China, Die & Mould China and China Interdye are ranked as the largest and most influential trade shows in their sectors. Auto Shanghai and Music China have both ascended to the Global Top 100 Commercial Events, with Auto Shanghai ranking 5th in the list.

Standing at a new starting point, we are now marching toward a new height. By leading the trend of the industry and forging synergy, we will continue to create values for all our partners.

# SHANDONG BETTER EXHIBITION ENGINEERING CO., LTD

Shandong Better Exhibition Engineering Co., Ltd. is composed of three centers, Better Engineering, Better International Exhibition and Better Graphic Centre. Those centers' respective main businesses are Exhibition planning and consulting, hosting and design and construction, creative design and construction of exhibition halls and pavilions, domestic and international high-end conference and exhibition planning and graphic planning, 3D printing, UV three-dimensional spray painting and jointly have built a comprehensive platform for professional exhibitions , Shandong Better.

Shandong Better Exhibition Engineering Co., Ltd. has the qualification of first-class exhibition display and first-class exhibition project of China Exhibition Hall Association, and the qualification of Ministry of Commerce for running exhibitions abroad. Shandong Better Exhibition Engineering Co., Ltd is the director unit of China Exhibition Hall Association and Shandong Province Conference and Exhibition Industry Association, and the company is also recognized as the excellent conference and exhibition service provider of Shandong Province, and Shandong Province enterprise of abiding by contract and keeping good credit.

Better International Exhibition is committed to introducing the world's best exhibitions to the provincial manufacturers and traders, and provide professional and considerate outbound exhibition services to help enterprises explore the international market, and obtain government project subsidies. With the business philosophy of honesty, rigour, professionalism and high efficiency, Better has been the designated service provider for outreach of the Department of Commerce of Shandong Province and other provincial departments for many years.

Relying on professional international business experience and the ability of accurately grasping the development trend of the international market and the needs of domestic enterprises, the company has undertaken and organized hundreds of international famous exhibitions in more than 20 countries and regions in Asia, Europe and America, providing diversified high-quality services for domestic and foreign enterprises, and bridging bridges for enterprises to go out and participate in international competition.

## MESSE FRANKFURT

The Messe Frankfurt Group is the world's largest trade fair, congress and event organiser with its own exhibition grounds. With a workforce of some 2,300 people at its headquarters in Frankfurt am Main and in 28 subsidiaries, it organises events around the world. Group sales in financial year 2023 were around € 609 million. Messe Frankfurt serves customers' business interests efficiently within the framework of its Fairs & Events, Locations and Services business fields. One of Messe Frankfurt's key strengths is its powerful and closely knit global sales network, which covers around 180 countries in all regions of the world. The comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organising and running their events.

Sustainability is a central pillar of Messe Frankfurt's corporate strategy. Here, Messe Frankfurt strikes a healthy balance between ecological and economic interests, social responsibility and diversity.

As a global market leader in the consumer goods trade fair sector, Messe Frankfurt hosts around 30 industry events around the world every year – from major international trade fairs to events of regional relevance. In doing so, Messe Frankfurt co-operates with local partners to combine expertise.

The Trade Fair Company Pty Ltd is the official representative of Messe Frankfurt in Australia and New Zealand. To assist exhibitors, visitors and members of the press from Australia & New Zealand attending the events, the company provides comprehensive information on the fairs as well as on the services and facilities of Messe Frankfurt globally. The Trade Fair Company Pty Ltd provides you with the information you need to make the right decision to exhibit or visit a trade fair of Messe Frankfurt.

## Xizang Yade Fine Brown Industrial Development Co., Ltd.

### ■ Main Products

Fine Brown Shawl, Scarf, Fine Brown Tibetan Clothing

### ■ Company Description

In Renbu County, Shigatse City, Xizang, on the snow covered plateau, Yade fine brown pure wool cloth and clothing manufacturing process, a ethnic handicraft with a history of 1000 years, is inherited. Yade fine brown textile handicraft has been passed down from generation to generation from the Zambue period (back in the Tang Dynasty). So far, Yade fine brown cloth and clothing are famous throughout the region, and loved by the vast number of Tibetans. In 1642, Yade fine brown cloth and clothing officially became the official clothing fabric, and was recognized with seals. Established in November 2013 with a capital of 285000 yuan. It is a professional business organization of Xizang Yade Fine Brown Industrial Development Co., Ltd., which is founded on the principle of voluntariness, equality and mutual benefit, with the theme of engaging in farmers, and is responsible for its own profits and losses, self service and democratic management. The main business scope includes the processing and sales of fine brown wool fabrics, fine brown Tibetan clothing, scarves, shawls, fine brown suits, monk robes, and wool fabrics.

## Agricultural Cooperative Of Gyantse Pendok Chuba Processing

### ■ Main Products

Ethnic Hand Woven Products

### ■ Company Description

A Brief Introduction of Pendok Pulu Processing Farmers' Cooperative in Gyangze County  
Pendok Pulu Processing Farmers' Cooperative in Gyangze County is a new star in Xizang. Penpa Pendok, the founder, was once a popular singer across Xizang in the late 1990s, has made the cooperative as successful as her music career. Since the establishment of the co-op, it has helped improve the traditional Tibetan weaving and knitting techniques, while at the same time providing jobs and welfare for many families.

The co-op was established in Suogai Village, 10 kilometers away from Gyangze County. The members are 100% the local women who are adept at making traditional Tibetan aprons. Over the past few years, the cooperative led by Pendok has developed into a famous organization that produces high quality products, including Tibetan aprons, woolen carpets, and yak-woolen scarves.

In the future, the cooperative will lead all employees to take the road of innovation and development, making the brand bigger with more high quality products and contributing to the progress of the overall social well-being.
